Animate the Tabletop

Inspired by the ocean, the soft, organic forms of Atlantic animate the tabletop, stimulating the dining experience. Designed exclusively by Bodo Sperlein, the sculptured, biomorphic profiles that shape each dish are beautifully finished by sweeping raised curves.

Texture & colour combined

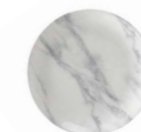

Designed to mix with current collections to create an eclectic feel. Nature's designs and colours combine to bring the natural world to the tabletop. The classic texture of marble is enhanced in tones of blue and grey, whilst the modern wood design is available in a stylish sepia or fresh green. The manufacturing process used is taken from traditional techniques and with technological investment provides a durable and strong finish.
